### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

Claims 1-12 are allowable over the prior art because the prior art documents neither discloses nor suggests the claimed oxidant selected from the group consisting of alkali metal peroxodisulfate, ammonium peroxodisulfate and alkali metal percarbonate; and the use of a phase transfer catalyst in the claimed process for preparing polythiophenes.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
